

One platform for everything *your church* *does.*

A church operating system — members, giving, events, content
and care, in one place.

Stop stitching apps
together.

One platform. *Built in the UK.*

~~WhatsApp groups~~

~~Spreadsheets & sign up sheets~~

~~Eventbrite ticket fees~~

~~Paper Gift Aid forms~~

~~Scattered YouTube links~~

Everything your church does — *in one place.*

THE APP IN THEIR POCKET

A church that fits *in their pocket.*

Home, chat, giving, events, sermons, Bible plans, training and prayer — one branded app, their church's name on it.

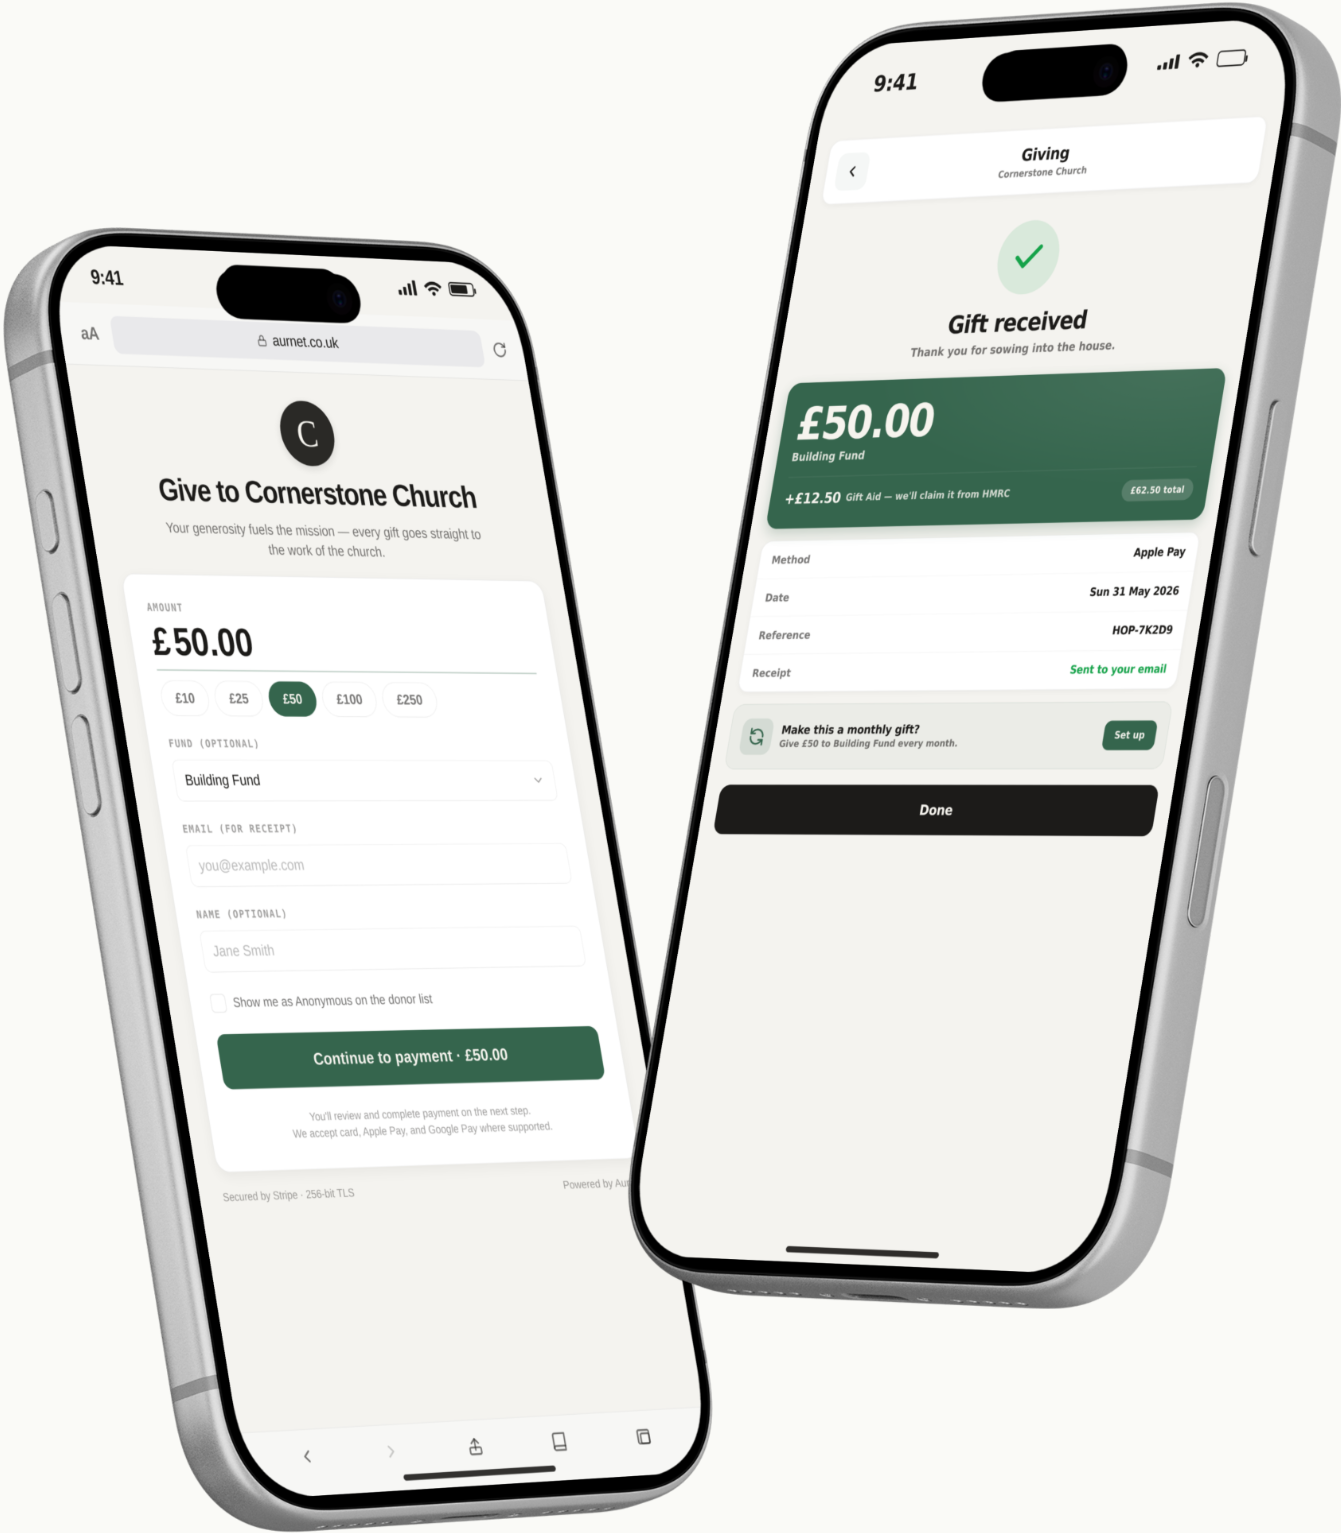

Members pay *nothing.*

£10 becomes £12.50.

One-time and recurring giving. Gift Aid reclaimed automatically through HMRC — no spreadsheets at year-end. Annual statements auto-generated, Charity Commission-ready.

ONE FLAT FEE • 3.5% + 20p • ALL-IN

LIVE VIDEO • BUILT IN

Your prayer meeting, *inside the app.*

Scoped video rooms for prayer, leaders' calls and small groups — no Zoom link, no separate tool. Host controls, breakouts and screen-share, tied to your clusters and departments.

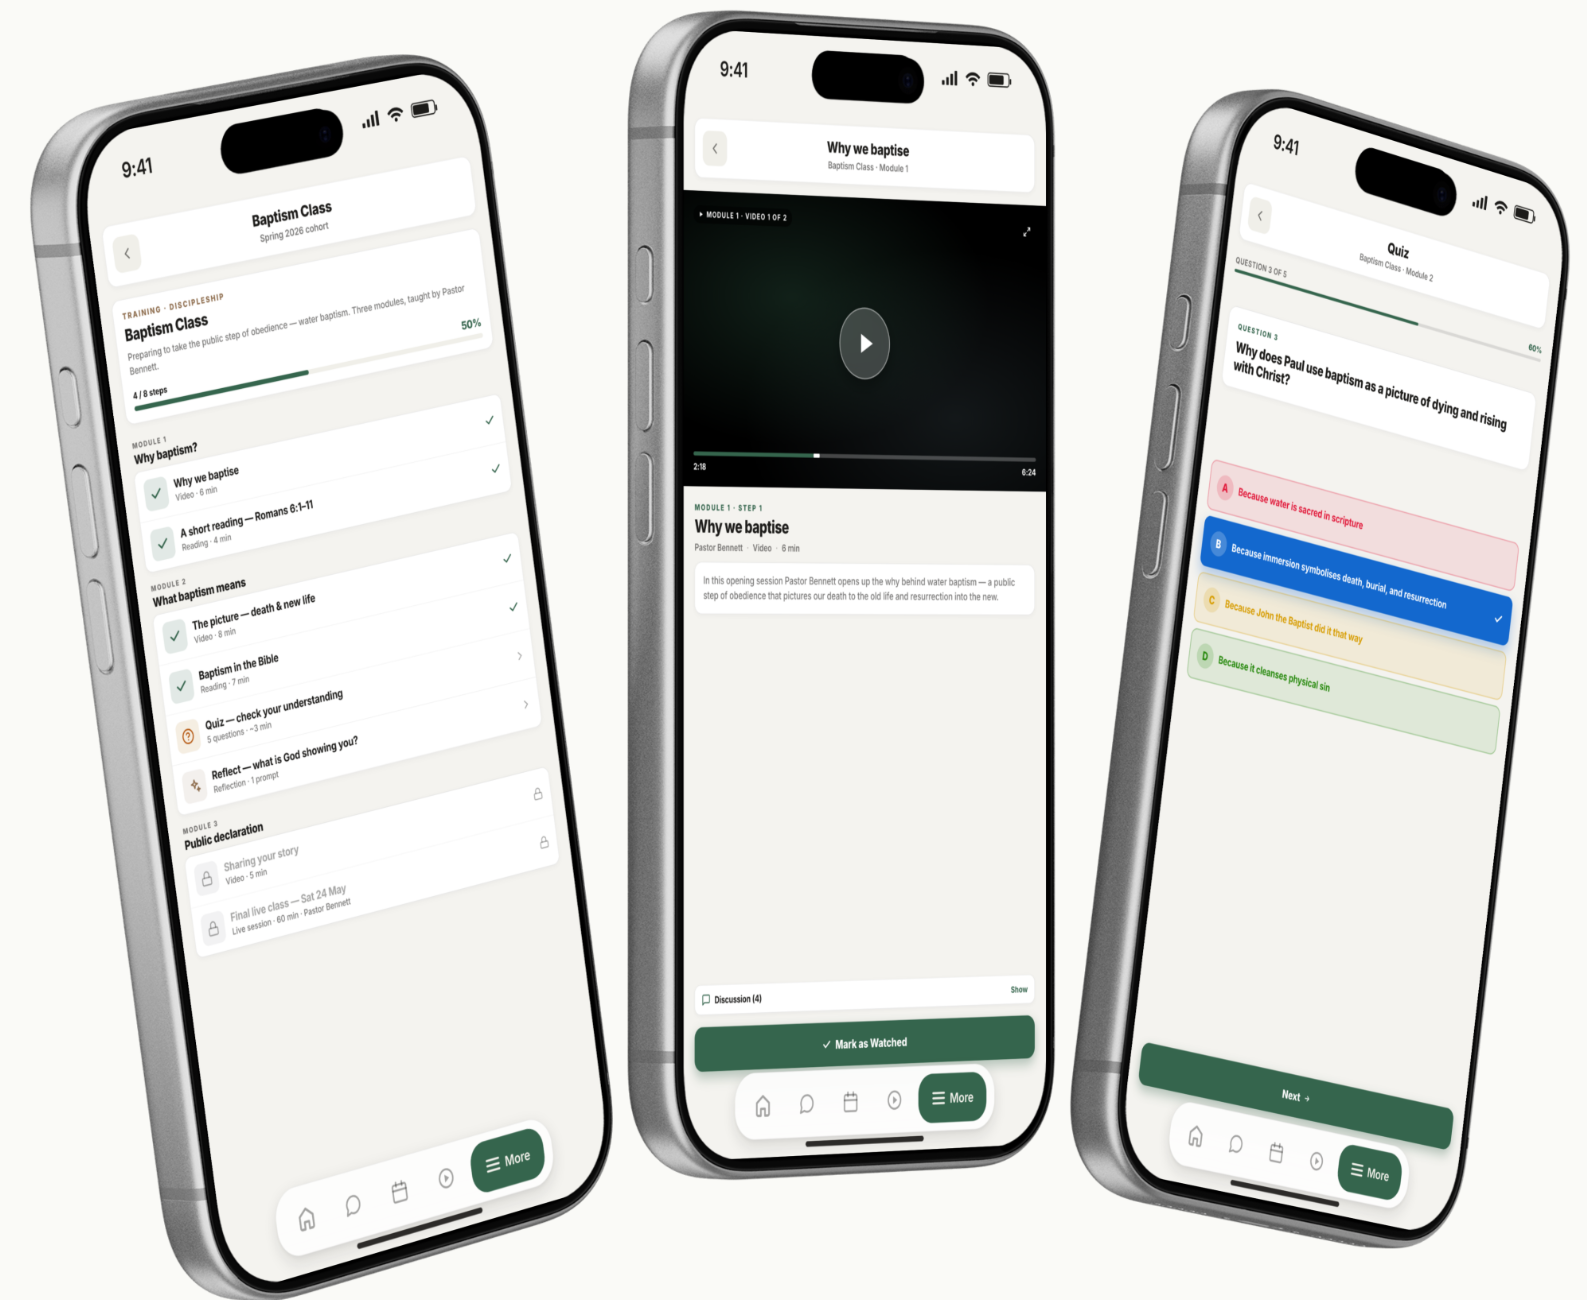

HOST CONTROLS

BREAKOUTS

SCREEN-SHARE

Discipleship, *not just admin.*

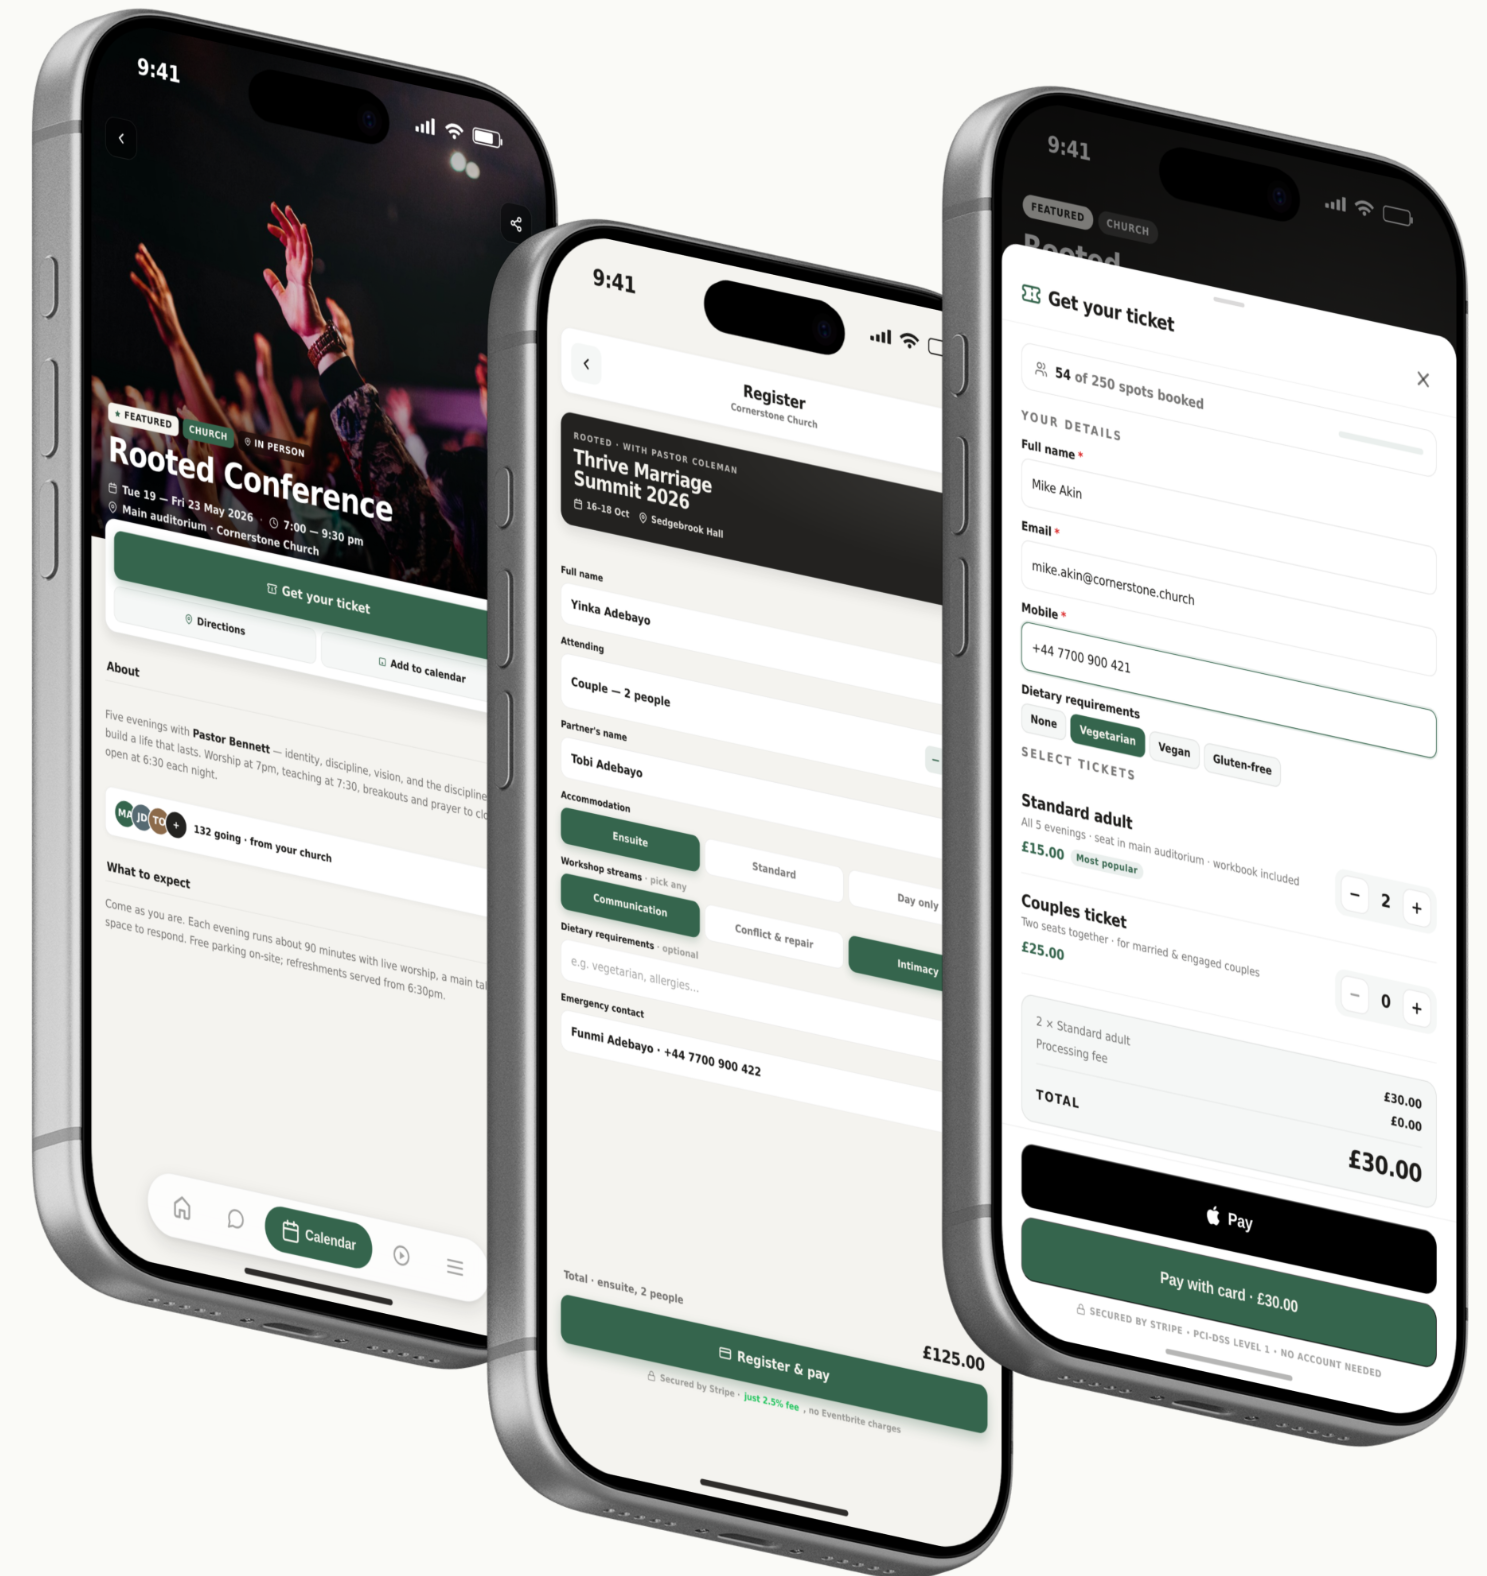

Build courses and reading plans. Run live, interactive sessions — polls, quizzes, reflections and breakout groups — right on members' phones.

Sell tickets *without* *Eventbrite.*

Registration, ticketing and check-in, built in. **3.5% + 20p** a ticket vs Eventbrite's 6.95% + 59p.

About *£108 saved* on 100 tickets a year.

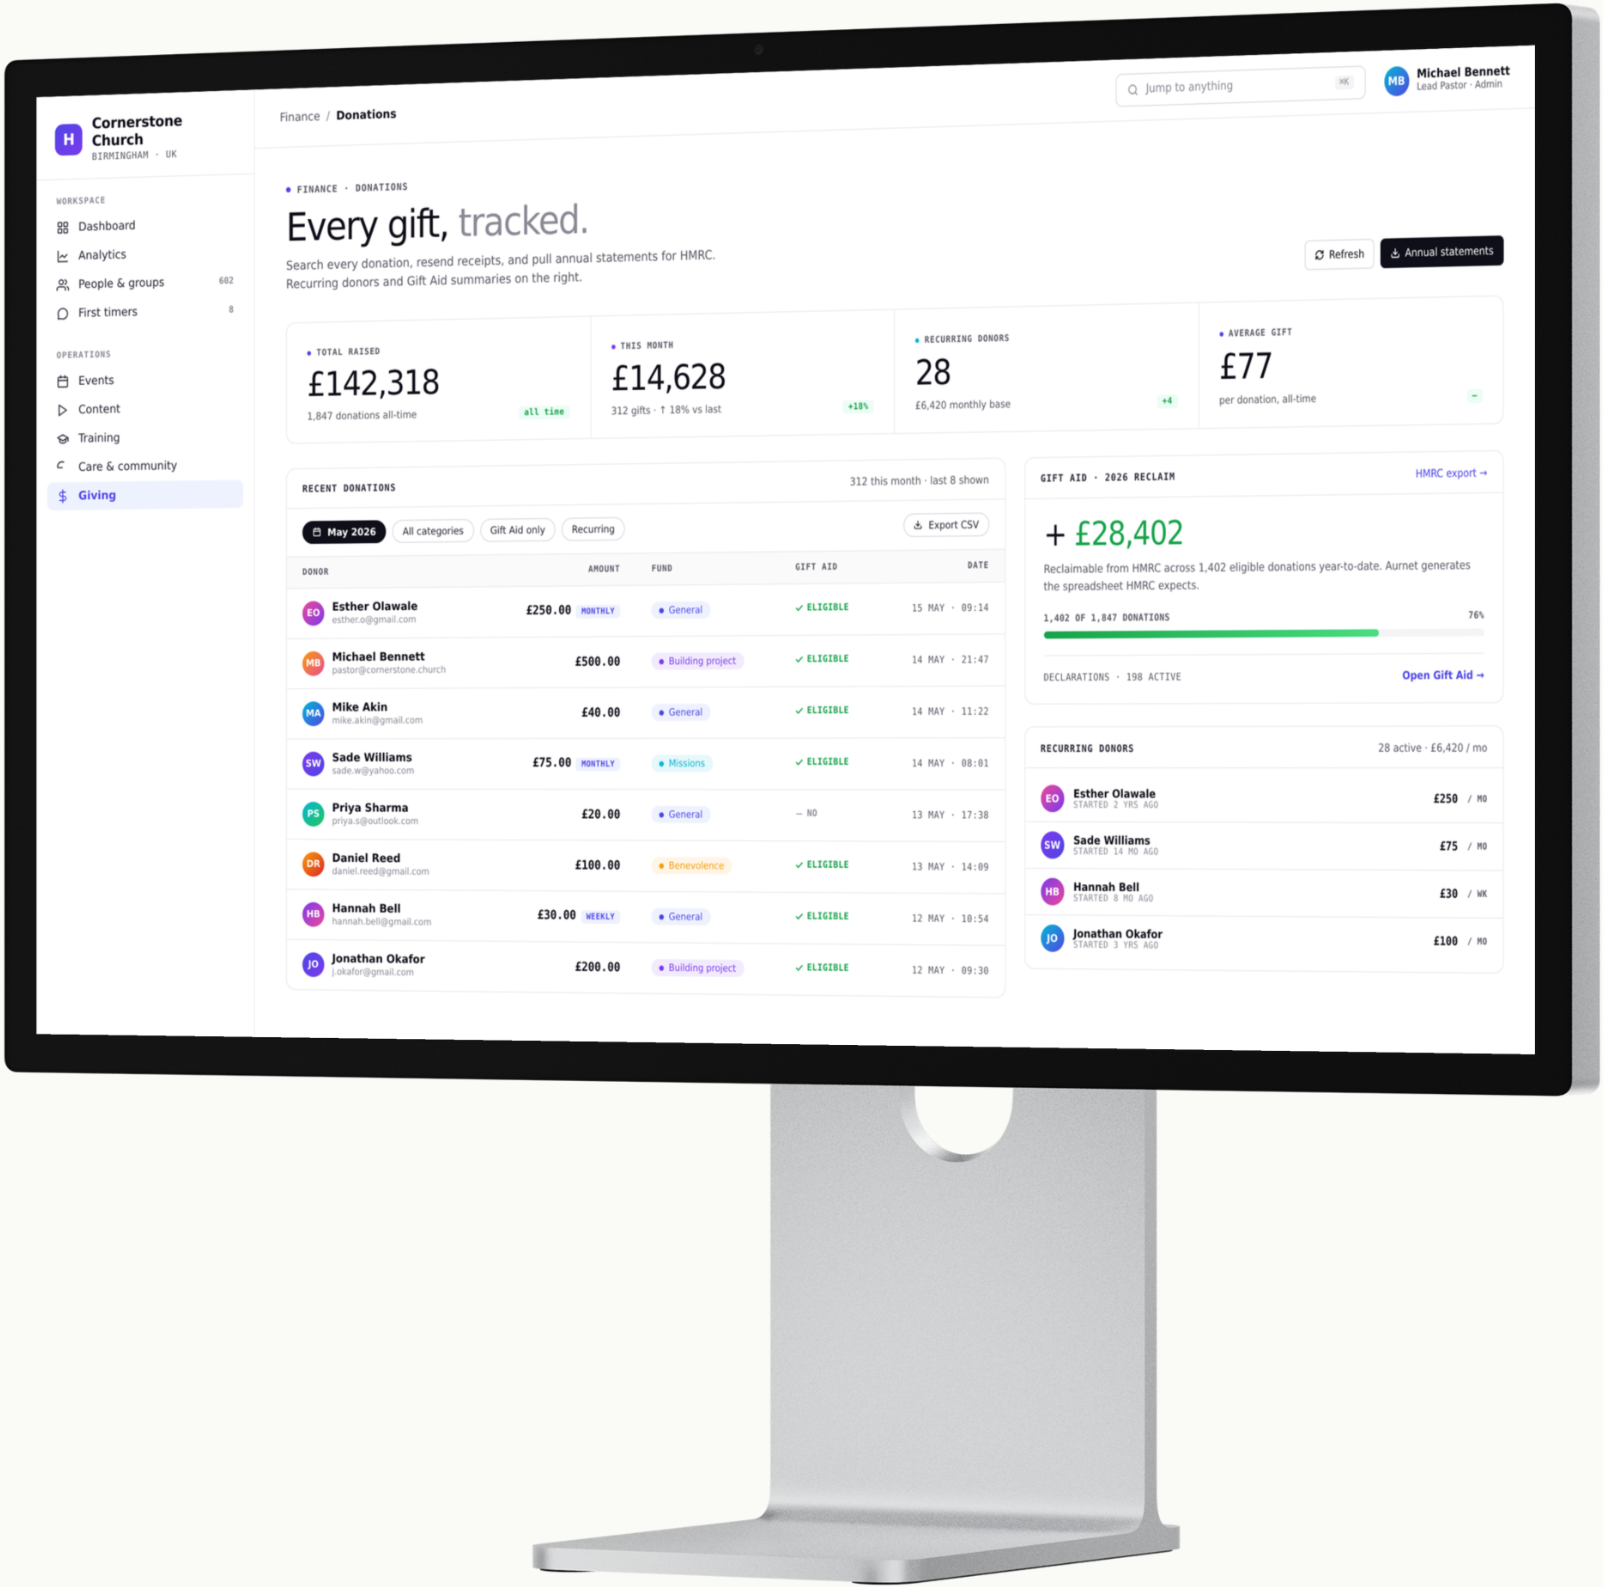

THE DASHBOARD ON YOUR DESK

Run the whole church *from one desk.*

People and households, giving and Gift Aid, rotas, analytics, attendance and first-timers — one admin dashboard. Role-scoped, so the right people see the right things.

ONE DASHBOARD • ROLE-SCOPED ACCESS

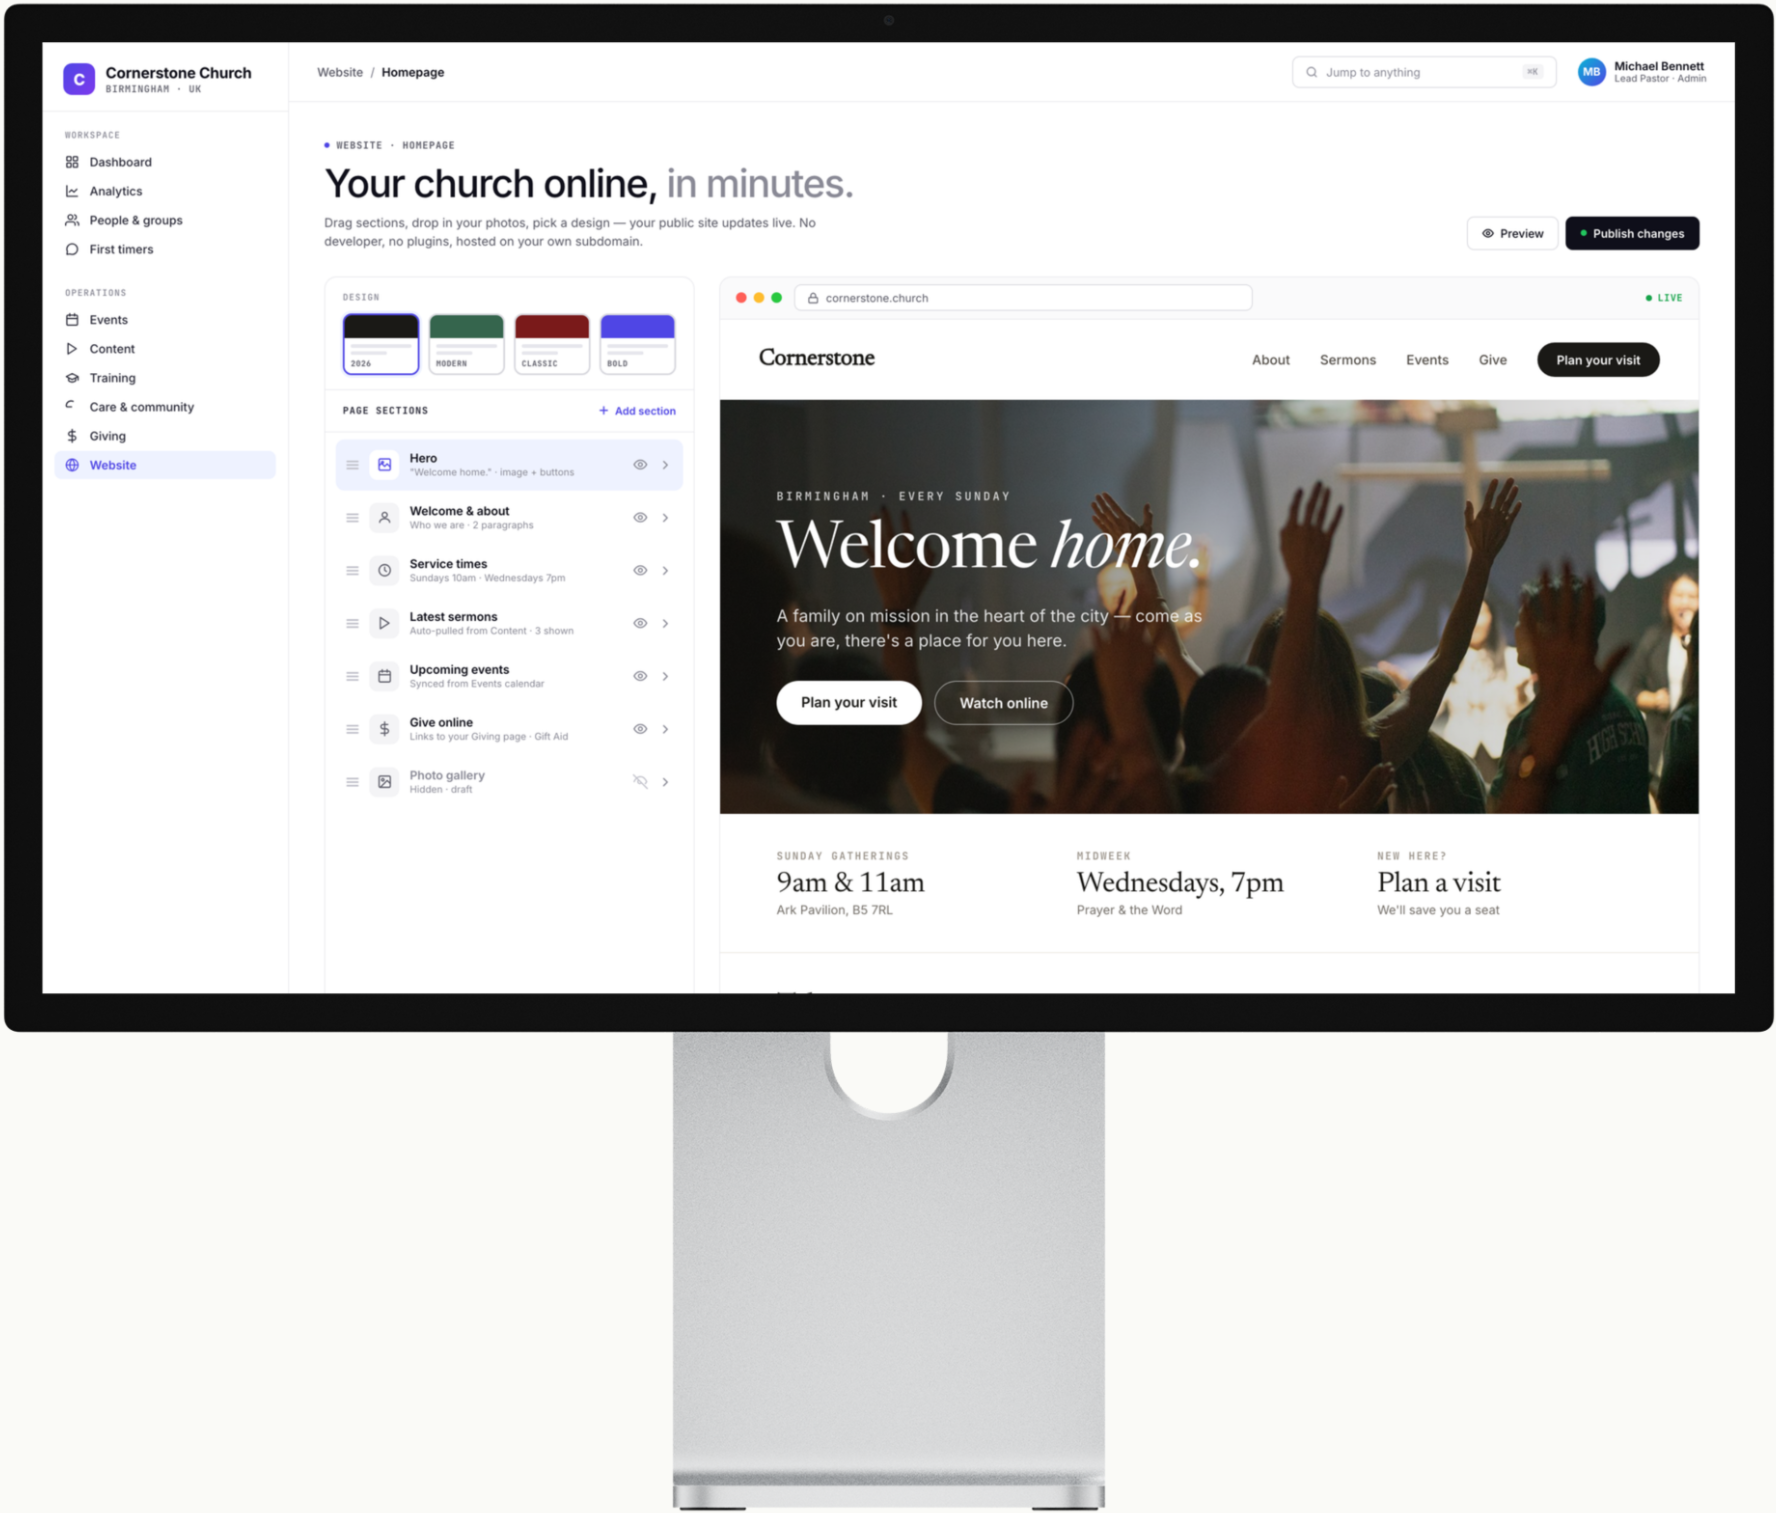

YOUR CHURCH ONLINE

A church website, *in minutes.*

A public site on your own subdomain — homepage, sermons, events and giving — built from the same dashboard, no web developer.

DRAG SECTIONS • THEMES • NO DEVELOPER

Made for the UK, *ready for the world.*

Gift Aid and HMRC handled for British churches. Multi-currency and church-local timezones for congregations across Africa and beyond. One platform, wherever your church is.

THE HIDDEN STACK

You're already paying for *most of this — separately.*

WHAT YOU PAY FOR NOW	TYPICAL / MO
In-app meeting rooms · replaces Zoom Pro	£11.99
Design studio · replaces Canva Pro	£10.99
Website builder · replaces Squarespace	£15.00
Live streaming · replaces StreamYard	£15.00
SMS + email broadcasts · replaces Mailchimp	£10.00
SEPARATE TOTAL	£62.98 _{/mo}

WITH AURNET

£49_{/mo}

AURNET STARTER · PER CHURCH

One bill replaces five subscriptions — and you still get giving, rotas, sermons and the branded app on top. **Members pay nothing.**

Typical UK entry tiers, per host/seat where applicable, as of June 2026 — for illustration, not a quote.

Built to be *trusted*
with people.

GETTING STARTED

Live in *weeks, not months.*

WEEK 1

Set up your church, import members, brand the app.

WEEK 2

Switch on giving, events and chat; train your team.

ONGOING

Direct founder access — we help you migrate.

Founding churches: 50% off any plan for your first 3 months — in exchange for honest feedback.

LET'S TALK

If this is the right fit for
your church, let's talk.

Reply to this, or email me — I'll set you up with your church's
name on it and walk you through it.
